

MEET THE TEACHER

Ms. Missan

Introduction

Hello! My name is Jaspreet Missan and I am so excited to be your child's teacher! Becoming a teacher has been a lifelong dream of mine. Growing up, I was inspired by my own elementary school teachers who gave me the extra support I needed to succeed. My goal is to build that same self-confidence in your students so they feel valued, capable, and ready to achieve their goals!

A Little About Me

I was born right here in San Diego and attended Del Mar Heights Elementary School! I currently live in Mira Mesa with my husband, as we just got married in the summer of 2025. In my free time, I enjoy spending time with my family and going to the beach. I have always loved working with children, starting from a young age helping out in my family's home daycare. I am so looking forward to being your child's teacher and making our classroom a safe, welcoming, and inclusive space this year!

Education/Experience

I graduated from California State University San Marcos with a Bachelor's degree in Liberal Studies (focusing on English Literature) and earned my teaching credential there as well. I have spent time student-teaching in 2nd and 5th-grade classrooms, and have experience as a substitute teacher and tutor. Through these experiences, I have learned how to create engaging lessons that meet the unique needs of every single learner in the room. I truly believe that family involvement is key, and I look forward to teaming up with you this year!

Contact Information

Please reach out to me if you have any questions or just want to say hi! We are a team in your child's success.
